

# Vacation Plans

Whether Milady chooses the seashore, the mountains or the country, if she is wise her plans for the summer include

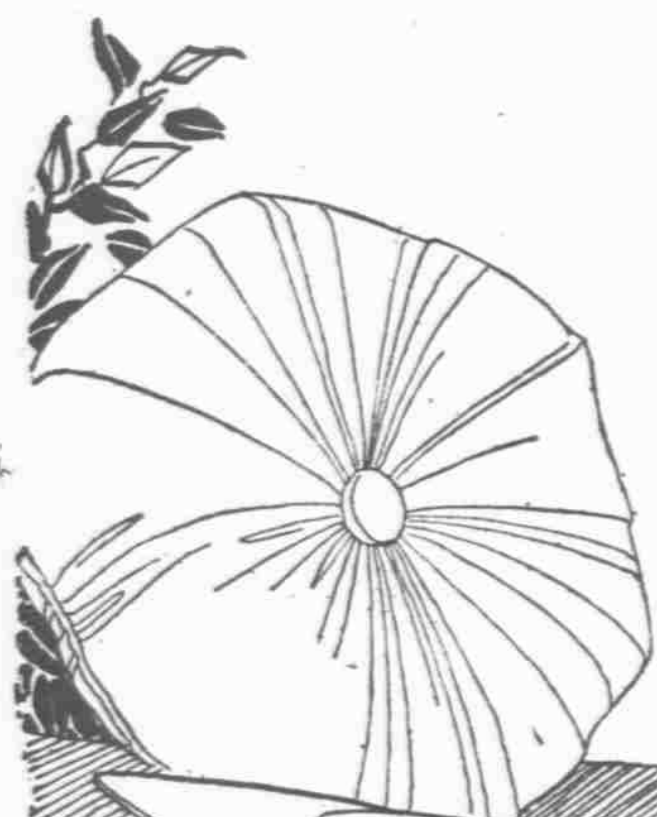

\$6.50 to \$12  
the Pair

PATRICIAN Shoes are made for every occasion, for every need, and whether it be a dressy little boot or oxford for street wear, a dainty pump for evening wear, white footwear for outings or the dainty shade of kidskin for afternoon wear that Milady desires, she is certain to find a model exactly suited to her taste, in a size and last that is exactly suited to her foot, at a price that is exactly suited to her purse.

For PATRICIAN Shoes offer that perfect combination of style with comfort and quality to boot at a price range that is and has been all during this era of high prices a most reasonable one.

More than fifty new models in pumps, oxfords, colonials and boots in the delicate shades of kidskin, in tan calf, patent colt, gun metal, white buckskin, white Egyptian cloth and white reignskin await your inspection.

The White Season finds Berberich's prepared with a wonderful array of cool dressy PATRICIAN models in white.
